in the World's Largest Earthquake Drill

Shake Out

www.ShakeOut.org

How to Participate

On **October 21, 2021** at **10:21 a.m.**, you should

as if there were a major earthquake occurring at that very moment, and stay in this position for at least 60 seconds. The goal of the ShakeOut Drill is to better prepare people and organizations for earthquakes.

Visit www.shakeout.org to be counted in the ShakeOut Drill and discover more earthquake preparation resources!
